An association offering benefitting DiscipleGuide church investment.

# There's nothing more Baptist than a church-wide potluck!

At a potluck dinner, everyone brings something to the table. When we all share, there's plenty for everyone.

It's the same principle our association was built upon: Churches pooling resources together to help each other in ministry.

DiscipleGuide invests in local churches through free revitalization services, low-cost camps and conferences, and affordable curriculum. How are we able to do this? Through the generous offerings provided by local churches.

Help us continue to invest in churches by participating in the "World's Largest Church Potluck Dinner." Here's how:

- Step 1: Organize a potluck dinner at your church in the month of November.
- Step 2: Take up an offering for DiscipleGuide at the dinner.

It's that easy. We'll even send you promotional videos and bulletin inserts to help advertise in the weeks leading up to the event.

As hundreds of BMA churches feast during the month of November, we'll refer to it as the "World Largest Church Potluck Dinner" – pastorally speaking, of course!
