

**EAT
GIVE
BLESS**

An associational offering helping DiscipleGuide invest in local churches.

Strong churches win souls, make disciples, and support missions. DiscipleGuide invests in local churches, helping them excel in kingdom work.

Your contribution to the World's Largest Potluck offering helps DiscipleGuide continue providing free services to local churches such as:

- Church revitalization efforts
- Pastors' Help Line counseling service for ministry families
- Tuesday Talks monthly ministry webcast

By reaching our \$200,000 goal, DiscipleGuide will be able to provide these new resources:

- Interim Pastor program
- Pastor Search services

And, we will be able to once again offer:

- Traditional format Sunday school quarterlies
- Printed children's and youth curriculum

The Potluck offering is an opportunity to pool our resources for the sake of Christ's churches. Just like at a potluck, when everyone brings something to the table, nobody walks away empty.

Eat. Give. Bless.
